

THE SPIRIT of FREEDOM

Hand in hand with the Spirit of Freedom travels the Spirit of Service. Freedom without service lacks much—but working together they constitute a creative force that builds communities and nations.

This tremendous force awaits the opportunity to aid us in building this community.

Co-operative effort will put this power giant to work for us—now.

It is the community which serves best that profits most, and enjoys to the utmost the great spirit of freedom.

Our interest in the welfare of this community prompts us to sponsor this message to the people of Torrance and vicinity
